

Youth, 18, Killed in Route 111 Accident

Auto of Clark Beasley Jr.,
Former GC Resident,
Rolls Several Times

Glenwood Clark Beasley Jr., 18, East Alton, a native Granite City youth who resided here until the age of eight, lost his life at 5 a.m. Sunday when his auto overturned at Route 111 and Collinsville road.

Traffic accidents recorded in the Quad-City area during the weekend totaled 23, and there were eight non-fatal injuries.

The youth was alone in the car when it left the pavement of Route 111 and rolled over several times, coming to rest in a field. Location of the crash is near Fairmont City.

State police reported he apparently applied the brakes and the auto skidded, striking a median strip at the intersection before going off the highway.

Authorities said he apparently was killed instantly. He was pronounced dead upon being taken to St. Mary's Hospital, East St. Louis.

SWU Student
A former Washington grade school pupil, he was a graduate of Roxana high school. He worked as a laboratory technician at the Thompson Chemical Co., St. Louis, and was a freshman student at the Southwest Missouri University center in Alton. He would have been 20 years old Dec. 18.

His address in East Alton was 231 Robinson street, where he resided with his parents, Mr. and Mrs. Glenwood C. Beasley Jr.

Also surviving are his maternal grandparents, Mr. Hazel Beasley, 2705 Lincoln avenue, and his great-grandmother, Mrs. Virgie Beasley, also of Granite City.

His remains are at a Granite City funeral home. Arrangements are given in the obituary column.

Boy Seriously Hurt
Alan Clark, 10, of 1322 Grand street, was seriously injured when he was struck by a hit-and-run driver at 5:35 p.m. Sunday in the 1700 block of State street. He was admitted to St. Elizabeth's.

Sorrow, Hope Voiced at JFK Memorial Service

(Picture on page 15)

Chilling temperature and wind failed to prevent Venice-Madison American Legion Post 307 from honoring the late President John F. Kennedy on the first anniversary of his death at the hands of an assassin in Dallas, Texas, Nov. 22, 1963. But the ceremony here at noon Sunday was brief and somber.

Venice Mayor John E. Lee addressed a gathering of several dozen persons, pointing out that the Kennedy memorial flame on the front lawn of the Legion home is one of the few of its type in the U.S. Then-Senator Kennedy had spent at Post 307 during his successful presidential campaign in 1960.

With Thanksgiving again approaching, Mayor Lee said all can be thankful that, despite such a tragedy, the nation and its hopes and ideals live on.

"The cop wasn't even here," said by Legion Chaplain John Lively, and wreaths were placed at the memorial by Fred Harrison, Post 307 commander; Mr. Mary Ballentine, Auxiliary Unit 307 president; and Walter Simons, Venice-Madison county Democratic chairman. Fred Honenkamp was master-of-ceremonies.

The Legion rifle squad fired memorial volleys, and sounding of "Taps" on a bugle concluded the observance.

**Thief Hurls Cup,
Steals Ring Tray
From Shop Window**

A burglar with a heavy coffee cup stole a tray of wedding rings from a jewelry store window on Michigan street, early today after smashing a display window glass with the cup.

A. E. Michel, proprietor, said the theft was discovered about 6:15 a.m. by a passerby. The thief had hurled the heavy, restaurant-type cup through the window and grabbed the tray with about a dozen rings.

"The cop wasn't even here," Michel said. He was still taking inventory at noon today to determine the exact amount of the loss, which is covered by insurance. He turned the cup over to police.

Central School Entered
A pay telephone was torn from the wall in a burglary at Central Junior high school last night, and the coin box was removed and taken away. It was reported at 6 a.m. today.

The thief climbed to a roof at the rear of the school, broke in through the second floor to unlock it and enter the cooking room. Syrup was poured on a desk and the floor.

Knives and a large screwdriver were taken from the kitchen were used to pry the phone, which was located near the principal's office.

53 House Burglary
About \$5,300 was taken from a bowling pin maker in a burglary at the home of Samuel Shackelford, 2914 Palmer avenue, between 1 and 7 p.m. Sunday, when the house was unoccupied. Entry was gained through an east window. A dresser drawer and jewelry box on the dresser were ransacked. Shackelford is a

Outgoing Judges to Rule On GC School Ownership

A ruling is to be issued this week or next week in the appeal to a lawsuit filed by Harold W. Koonchun, 2412 Madison street, challenging school district ownership of Coolidge Junior high school and its campus. He obtained a favorable ruling at the county level Aug. 2, 1963.

The Press-Record learned from the Fourth District Appellate Court at Mount Vernon that Judges Franklin B. Dove, C. Ross Reynolds and Clarence F. Wright plan to decide the appeal before their terms end. Nov. appellate judges are to be sworn in Dec. 7.

Legislative Vote Results are Due This Afternoon

Miss Fadhia Holt, Madison county clerk, hopes to have county totals of ballots cast for legislative candidates in the Nov. 2 general election by 2 p.m. today.

Her clerk had been adding the county's 174 precincts after the canvass was completed at 5:30 p.m. Saturday. They worked from 9:30 a.m. to 3:30 p.m. Sunday.

After the totals are determined, they will be certified to the state election commission at Springfield as required by law.

After the state completes count of all of the totals from the 102 counties in Illinois, the winners for the 177 seats in the House of Representatives will be determined.

Miss Holt said this is the only

450 Seek Salvation Army Food Baskets

Food of applicants for Christmas baskets was received by the Salvation Army since Thursday, with a total of 450 applicants now being processed.

Captain Mildred Walker, in-charge of the Salvation Army food baskets, said that the Salvation Army will begin this year on Dec. 8. A goal of \$5000 has been set.

The Salvation Army will continue to receive applications for food, clothing and toy baskets from needy Quad-City families through Dec. 8. Capt. Walker said, Applicants must apply in person at the Salvation Army office from 9 a.m. until noon and 1 and 4:30 p.m., Monday through Friday.

Initiate Plan to Revise Bond Bill

Venice Seeks To Knock
Out 'Escalator Clause'
For Bridge Payments

A new plan advanced by Dr. John E. Lee, mayor of Venice, for revision of the McKinley Bridge bond ordinance—as a means of averting loss of \$100,000 annually in city income—has been placed in operation, and is expected to take from four to six months for completion.

Mayor Lee said today the plan calls for revision of the ordinance to eliminate an "escalator" clause which increases bond principal payments beginning in 1966. Approval of the revision must be obtained from 75% of the holders of both "A" and "B" bridge bonds.

The ordinance, which approval, letters must be written to all bondholders, a project that will be handled by the principal banks that handle payment of interest to bondholders as coupons are sent in for redemption.

Handled by Banks
Payment of bond interest is made through three banks, one each in St. Louis, Chicago and New York. Those banks have available the addresses of the bondholders of record. Since coupons mature at various times, it will take a period of several months to communicate with all of them.

Mayor Lee has pointed out that unless the escalator clause in the bond ordinance is revised principal payments on outstanding bonds would begin increasing in 1966, absorbing the city's profit from the bridge operation.

He pointed out that the bond fund currently is far ahead of its bond payment schedule and already has the 1966 payments, including the first acceleration payment of \$35,000. The bridge fund is expected to run into trouble by 1968, however, unless a correction in the bond ordinance can be made.

Underpass Financing
The ordinance revision also constitutes the city's only plan for providing approximately \$300,000 if needs to meet its share of the construction cost of the Broadway underpass in connection with the Federal Aid Route 151 expressway project.

Dr. Lee has pointed out that if the city can prevent the loss of its income from bridge operation, it should be able to finance much of the underpass project out of regular city funds.

The new plan for revision of the ordinance supplants an earlier one in which the city sought unsuccessfully to refinance its outstanding "A" bonds of approximately \$1,600,000. The refinancing required approval of 75% of the "B" bondholders, but this plan failed when Illinois Terminal Railroad, holder of 70% of all outstanding "B" bonds, declined to consent to the action.

Nurses Now are A-Scootin' In Halls at St. Elizabeth

Something new has been added at St. Elizabeth's Hospital. Nurses and the Sisters are trying out a new battery-powered scooter, designed to ease the nurse's chore and also to make nursing duties easier and more efficient.

Sister Mary Thomas, administrative nurse, said the scooter, which arrived last week for a trial demonstration, has been right at the nurses' feet, and also the doctors'.

Sister Thomas said the three-wheel scooter has been used with success in Veterans Administration hospitals, and she believes this is the first community hospital in which they are being tried. Use of the scooter was suggested by a member of the Citizens' Advisory board, Robert Edwards, a Granite City Steel Co. industrial engineer.

Bandit Fires Shot At Woman Victim In \$45 Stickup

An armed robber flourishing a nickel plated revolver held up and robbed Mrs. Anna Kondrat, operator of a combined laundry and grocery at 1540 Seventh street, Madison, late last night, and then fired a warning shot from which a companion fired one shot at Mrs. Kondrat as she followed the robber to the door. The robbery occurred about 11:30 p.m.

Mrs. Kondrat, who was alone in the building at the time of the stickup, told Madison police that she gave the robber \$45 in cash from her apron pocket, but that she began screaming when he demanded the money from the cash register. Her screams frightened the bandit who ran through the tavern to the front door and down two steps to a car that was waiting in the opposite side of the street.

She said she followed the man to the building at the time of the door after him, but that she appeared in the doorway the driver of the waiting car ran out the window and fired one shot which pierced the tavern window and struck a refrigerator inside the building.

Mrs. Kondrat reported that when the man entered the tavern, he asked to use the other side of the building into the grocery store, remarking that he wanted a loaf of bread. He also picked up several cash bars.

As he walked to the cash register he remarked: "This is a stickup, Mrs. Kondrat said, and added: "I want your money." She said she gave him \$45 she had in an apron pocket, but that he then said he also wanted the money from the cash register.

According to Mrs. Kondrat, the man told her he couldn't take that, too, for "I wouldn't have any change left." She said she gave him \$7 in the cash register.

She began screaming and the man fled. She went on the opposite side of the street had been parked with the lights on. After the driver fled, she saw the car drive toward Madison avenue.

She described the bandit as being about 27 to 30 years of age, about five feet, ten inches tall, dark complexioned and wearing a black coat.

**Woman, Visiting Here,
Dies of Stroke at 77**
Mrs. Martha Lyons Smith, 77, Plainville, Ill., died in St. Elizabeth's Hospital at 9:10 a.m. Sunday, after approximately ten hours after collapsing in an automobile driven by her son, George Smith.

Mrs. Smith, who had been visiting her son and his family since Nov. 5, complained of feeling ill when the family left church services at Hope Lutheran church, 1010 Wabash and Garfield avenues, about 10:30 a.m. Mr. Smith said as they were on the way home, his mother lapsed into unconsciousness and he drove her to the hospital. Death was attributed to a cerebral stroke.

Besides her son, George, Mrs. Smith was survived by another son, Monmouth Smith of Eastland, Miss., and a daughter, Mrs. L. L. Smith, who was in the great-grandchild. She was to be taken later today to Barry, Ill. for services there Wednesday afternoon.

**Cool Council Sets Brisk Pace
At Venice Session Friday**

The Venice city council held one of its shortest meetings and one of its shortest sessions on record during a regular council session Friday night.

Directly after the session was due in part to the fact that city hall boiler replacement had been underway for several days and there was no heat in the building. The outside temperature was 22 degrees at the time. The meeting lasted 20 minutes.

Installation of a new boiler at the Venice city hall was completed today and heat was restored throughout the building. Work on the heating system was begun last Thursday and heat was shut off until Saturday when partial operation of the system was begun. Installation of the new system was authorized by the city council two weeks ago.

The council approved claims, including payment of \$748 to the Hardesty & Hanover Firm, New York, for engineering work on the McKinley Bridge lighting

Historical Monument Proposed Downtown

Landscape Setting;
Group to Recommend
Way to Utilize Block

Establishment of a historical monument in an appropriate park setting was proposed Thursday night for utilization of the triangular block occupied by the former downtown post office.

This and other possible uses will be studied by a committee to be formed by School Supt. Paul D. Johnson. The school district holds partial title to the property, and board members indicated they would abide by the nation committee's recommendation.

Advantage of the monument site is that local need of the block could be obtained without compensation to the federal government. Thursday's discussion brought out:

Most of the monument would be a statue or other marker commemorating the late William Jennings Bryan. The school district holds partial title to the property, and board members indicated they would abide by the nation committee's recommendation.

4 Empty Damaged Cars Linked to Same Crash

An auto which was stolen from Warren E. Taylor, 4210 Kirkpatrick homes, after 2 a.m. Sunday was found wrecked and abandoned near three damaged parked cars at 4:30 a.m. Sunday.

Police said the stolen car apparently was going west and first hit the side of a 2437 Edwards street car that had been parked there.

It then struck the left side of the parked car of Curtis Keith, 2228 Edwards, the stolen car's front end jumped curbing and hit the right rear of the parked auto of Lonnie Shaw, 2405 Edwards.

It was at 2405 Edwards that the auto was abandoned. Damaged cars were found on the right side, it was towed to a garage.

**2 Local Youths to be

Property For Underpass

The council authorized E. Harry Hartman, city attorney, to proceed with purchase of a parcel of property along Broadway from Jesse and Anna Walls at a price of \$6000.

Mayor John E. Lee explained the property is part of that needed as right-of-way for the Broadway underpass project and that the amount will apply toward the city's share of the project cost.

Payment of abstract work and taxes is to be made from the \$6000 purchase price, leaving a payment of \$880 to Mr. and Mrs. Walls, Dr. Lee said.

The committee to be appointed will include the presidents of a cross-section of public bodies and organizations, including business, labor, construction, financial, commercial and service groups.

Basic procedure that could be followed is for the school district to notify the Department of Health, Education and Welfare that it desires to "revest" the property to the government. The public agency wishing to acquire title then would apply within 35 days to the General Services Administration.

Failure of public bodies to use the check would lead to an auction or other bidding administered by the GSA. Any firm or individual could compete. Potential use listed in the January 1963 appraisal was a gasoline service station.

Joanne Gentry from Wirtz Gray Gentry. They were married Sept. 18, 1962, in St. Clair county and separated last Oct. 17. She charged cruelty and was given custody of one child. He was ordered to pay \$10 per week child support.

Janet L. Spray from Lester E. Spray. They were married May 10, 1947, in Granite City, and separated last Oct. 24. She charged cruelty and received support of two children. He was ordered to pay \$25 per week child support.

Janet L. Rockingham from Rex F. Rockingham. They were married July 27, 1950, in Granite City, and separated last Oct. 25. She charged cruelty and obtained custody of four children. He was ordered to pay \$60 per week child support.

Dorothy Baker from James Baker. They were married Feb. 27, 1954, in Madison. She charged cruelty and obtained custody of two children. He was ordered to pay child support of \$104 per month and alimony of \$1 per month.

Edith Deaton from Robert Deaton. They were married Sept. 9, 1961, and separated Oct. 28, 1963. She charged desertion. Her maiden name of Edith Shaefer was restored.

Traffic Charges Filed Billy K. Stearns, 20, of 4923 Mayville road, was arrested at a.m. Saturday at 26th street and Madison avenue on charges of speeding and driving with an expired license. A hearing was set for Dec. 5.

Speeding Charge Filed Charles Thomas Wofford of Dover, Tenn., was arrested at 4:50 p.m. Sunday on a charge of speeding on Missouri avenue.

Street Rail Proposal Held over from last week's meeting is the offer by Granite City Steel Co. to remove old Illinois Terminal Railroad trolley tracks from the center of Madison avenue from 16th to 19th street and to resurface the roadway if granted permission for a six-month survey to cost \$600 to \$750 and the river pollution committee on a recommendation to save up to \$50,000 with the purchase of alternate filtering and pumping equipment for the sewage treatment plant.

Charles W. Muelken, chairman of the special river pollution committee, has received from a group of industrial engineers several recommendations on the purchase of filtering equipment.

The group suggests getting new filters for five items on the filter machines manufactured by both firms: Kohnline-Sanderson Co. on the base bid and Emerson Co. on the alternate bid.

The engineers, representing firms that will be large users of the sewage treatment plant, indicated the cloth filter. Elmo machines possibly would be more easily adjusted in the event of change in the type of pollutants dumped into the city sewers and that would filter at \$75,000 less than Kohnline-Sanderson certain modifications should be sought on both machines and figures submitted by the firm.

The modifications would include different standards for stainless steel decks and heads of filter drums and also for valves built of low nickel cast iron, along with filter tanks lined with a fiberglass mat and filter agitators and end panels also covered with fiberglass.

The engineers' suggestions, signed by William F. Hoelscher, general manager and secretary of the Manufacturers' Association of the Tri-Cities, had been sought to study specifications of both filter manufacturers.

A report on the Air Pollution Study committee activities appears elsewhere in this issue. The committee met Thursday night to study the proposal for a study by a St. Louis testing laboratory to determine the cause of recent discoloration of house paint. The committee is headed by Alderman Samuel Whitmer.

Escorted by five attractive "reindeer," Santa Claus will arrive in the Quad-Cities on Friday and will lead a parade which starts at the McKinley bridge at 9 a.m. and ends at 11:30 a.m. at his log cabin headquarters, 19th street and Edison avenue.

In a message received by the Associated Retailers today from the North Pole, youngsters are being advised they may talk to him ahead of time by calling TR-7-8111, beginning this evening.

The genial old gentleman will ride in an antique sleigh specially provided for his annual visit by the G. H. Sternberg family. The "reindeer," dressed in brown ski suits and reindeer heads, will be Linda Draper, Lucy Duvall, Charlotte Habs, Donald Faye Lockhart and Carol Pritchard.

Riding with Santa will be an 11-year-old Kathy Habs of Granite City.

Tomorrow, Granite City high school art students, under the

supervision of Eugene Adams, district art educator, will be busy decorating a truck-float which will convey Santa and his helpers on a tour of the Quad-Cities.

Santa will distribute candies to children who are expected to greet him as he arrives at the McKinley bridge and at other points along the way.

Stops will be made at 9:05 a.m. at Venice post office, 416 Broadway; 9:35 a.m. at Third street and Madison avenue; 10 a.m. at Bellevue Village shopping center; 10:30 a.m. at Nanticoke Village shopping center; and at 11:30 a.m. at the log cabin.

Santa's downtown headquarters will be open until 8 p.m. Friday and from 9 a.m. to 6 p.m. Saturday.

Monday, Santa's hours will be from 2 to 8 p.m. each weekday, and from 9 a.m. to 6 p.m. Saturday. Saturday, Dec. 19, Santa will remain in his cabin from 9 a.m. to 8 p.m.

This year, photographs of

Santa and his young visitors will be available in color for \$1.50 each, or three for \$3, and black and white for \$1.10 each, or three for \$2.75.

Lights across the downtown streets, along with bells, angels, strands of tinsel, wreaths and candles, are scheduled to be in place on the evening of Thanksgiving, Nov. 25, when the lights will be turned on for the first time.

Stores will remain open until 8:30 p.m. starting Dec. 1, with the holiday night shopping hours continuing daily, except Saturdays, until Christmas.

The Associated Retailers, who are sponsoring Santa's visit for the eighth year, also will provide five movies for youngsters at the Washington Theatre on Friday.

The theatre will open at 10 a.m. and the movies will start at 10:30 with continuous showings through 5 p.m. On the full will be cartoons, a Three Stooges comedy and a feature attraction, "The Slave Woman," in color.

Car Turns Left, Struck Gaddy, 1228 Meridian street, and Richard D. Gould of St. Louis, was struck at 2:45 p.m. on Highway 3 at West Pontoon road as Gould was making a left turn off highway and Gaddy was passing a third car.

GC Council Expecting Major Items of Business Tonight

Two major items of business are on the "evening" list for tonight's 8 o'clock agendas of the Granite City council — air and water pollution.

The two special council committees are expected to submit progress reports to the council this evening: the air pollution committee on a probable recommendation for a March 1 start

for a six-month survey to cost \$600 to \$750 and the river pollution committee on a recommendation to save up to \$50,000 with the purchase of alternate filtering and pumping equipment for the sewage treatment plant.

Charles W. Muelken, chairman of the special river pollution committee, has received from a group of industrial engineers several recommendations on the purchase of filtering equipment.

The group suggests getting new filters for five items on the filter machines manufactured by both firms: Kohnline-Sanderson Co. on the base bid and Emerson Co. on the alternate bid.

French Horn Soloist to be Featured in SWIU Concert

One of the nation's best known performers on the French horn, Philip Farkas, will be soloist with the 70-piece Southwest Illinois Symphony Band in its first concert of the season tomorrow evening at Godfrey.

In the afternoon, beginning at 2:15, Farkas will conduct a French horn clinic for area high school musicians, their teachers, and music directors in SWIU's Alton, Godfrey auditorium. The 8:15 band concert will be held in Hatheway Hall at Monticello College, Godfrey.

The Quad-City students who are in the Symphonic Band—Margaret Champion of Madison who plays the French horn and Carol Sue Clark and Barbara Newhouse of Granite City who are clarinetists.

Farkas, who has held French horn solo position with the Cleveland, Boston and Chicago Symphonic orchestras, will be featured in one of four concerts for horn written by Mozart.

A professor at Indiana University since 1960 and an assistant faculty of the Aspen, Colo., School of Music, Farkas has written two definitive textbooks for horn players.

The University Symphonic Band, under the baton of C. Dale Eversdahl, will perform "Symphony No. 3 for Band," written three years ago by Vittorio Gnanini of the Juilliard School of Music and premiered at Duke University. Other selections include Jacob's "Music for a Festival," two chorale preludes by Brahms, and Howard Hanson's "Chorale and Alleluia."

Admission to both the concert and the afternoon horn clinic is free to the public.

The band, which presented its first concert in 1960 with 33 members, now schedules at least three major programs a year, in addition to playing at commencement and other University events. Dates for the winter and spring concerts are Feb. 19 and May 15.

A new SWIU faculty member who teaches clarinet, George Mellett, is now assistant conductor of the band.

State-Sponsored Meeting For Assessors Dec. 2-3

Township tax assessors of the Quad-Cities area and Madison county are to be invited to attend a two-day meeting to be held Dec. 2-3 at Augustine's restaurant, Belleville, sponsored by the Property Tax Division of the Illinois Department of Revenue.

Revenue director Harry L. Holman announced at Springfield that the meetings are being held throughout the state to advise and instruct assessors concerning their duties and responsibilities.

Rudder, Walker Start License Service Firm

Two former employees of the secretary of state's office, Luther Rudder and James W. Walker, are announcing today a new auto license service with daily trips to Springfield.

The office is located at Rudder's home, 2920 Harding avenue, and the company is known as the R&W License Service. Both men are licensed and bonded.

Car Backs into Accident

A car being backed out of a driveway by Gerald McKeehan, 11 of 2534 Lincoln avenue, struck the front fender of a car owned by Charles Welch, 2408 Delta avenue, while it was parked across by street in front of his home at 5:55 p.m. Thursday.

Contract Pending

More data is being sought by Granite City's Special Air Pollution Study committee before a contract is signed with the St. Louis Testing Laboratories to conduct a survey here, starting about March 1, to determine the source of paint dislocation on houses.

The committee, during a meeting Thursday evening at the city hall, agreed that the start of the survey should be delayed until March in order to time it with weather conditions that usually prevail when the paint stains occur.

Alderman Samuel Whitmer, chairman of the committee, said the group decided to ask the survey company if the cost figures would include the services of a technician to give testimony in court and also cover progress reports wanted by the city. The city plans to provide the data to the city or group planning court action to seek damages.

By waiting until March to start the survey, Whitmer said, both spring and fall seasons would be covered when the most damage is reported.

Costs for the survey were reported to the council last week: \$6500 to \$7380 for a six-month period or \$9329 to \$10,207 for a full year's study.

Should the additional requests by the committee be worked out with the company by this evening, a contract is to be presented to the council for approval, Whitmer said, adding that City Atty. George Filloff Jr. is to confer with representatives of the company.

Attending the meeting were Theodore Neeth and Raymond Waffler, citizen members; Alderman Paul Rutledge, Filloff, Assistant City Inspector William Jenkins and Whitmer.

Development Program Discussed by Chairmen

Community improvement efforts were discussed by Tri-Cities Chamber of Commerce committee chairmen Friday in conferences with President Carl E. Mathias and other officials.

Committee members are to be formulated and meeting schedules set within the next few days.

Mathias will work directly with the community development division, in which committees will be active in such fields as downtown development, Horseshoe Lake development, civic improvement, retail transportation and highways, tourism promotion and industrial development.

Vice-President Howard W. Kaseberg will coordinate the public affairs division, which will include agriculture, citizenship, Congressional action, education, governmental affairs, health, planning and zoning and Southwest Illinois University liaison.

Vice-President Dale Arnetto will supervise the membership service division, including staff service, membership, program, public relations, membership relations, program of work and night industry.

Treasurer A. E. Michel heads the finance division, with activities relating to budget, finance and auditing.

Falls, School Mishaps Result in Injuries

Mrs. Elsie Forester, 70, of 2516 Benton street, was admitted to St. Elizabeth Hospital Thursday afternoon, with injuries to her upper back and shoulders which she suffered in a fall down two steps.

Also admitted to hospital after a fall was Miss Donna Shelton, 16, daughter of Mr. and Mrs. William Shelton, 2435 Edison avenue, who injured her left ankle.

Two other mishap victims given treatment Thursday were Charles Polley, 16, son of Mr. and Mrs. Herriett Polley, 4133 North drive, who caught his left index finger in a crimping machine at school, and John Wyatt, 63, of 4007 Pontoon road, who suffered forehead abrasions and injuries to his right arm and shoulder when he fell down a flight of steps at home.

\$30,000 Suit Dismissed

A \$30,000 damage suit filed by Irene Cook against Troy Pace Morris was dismissed Friday in Madison county circuit court at Edwardsville as no one appeared in court. The complaint alleged that she was struck by a car while she was walking across Madison avenue at Seventh street, Madison, on Dec. 2, 1961.

Seeks Possession of Car

Sylvia Keel has filed suit in Madison county circuit court at Edwardsville against John Peterson of Granite City in an attempt to gain possession of a 1957 two-door auto valued at \$500 which she says she owns. The suit said the car is at Andy & Johnny's Auto Body shop, 1219 Madison avenue.

THANKSGIVING LUNCHEON for YMCA-Senior Citizens which was pot luck style Friday at the YMCA and was attended by 70 members and guests.

Thanksgiving YMCA Luncheon

A pot luck Thanksgiving luncheon was held Friday at the YMCA by the Senior Citizens Club with 70 member and guests present to eat turkey prepared by Mrs. Fred Rupp, club president, aided by her husband.

Among the guests were H. D. Karamanoff, YMCA board president, who praised the group for its varied program, and Rev. and Mrs. Boyd Wolverton of the First Assembly of God Church. Mrs. Wolverton spoke on thankfulness, and Rev. Wolverton related his boyhood experiences in New England.

Other guests were Mrs. Zula Warford, Mrs. E. L. Johnson, Mrs. Ann Vandavey, Mrs. Doris Darnell, Mrs. Lucy Percentino, Ralph Limberg, Daniel Smith and Paul Maykopet.

Members honored for birthdays were Daniel Seymour, Mrs. Theresa Dean, Mr. and Mrs. Hugh Beerman, Mrs. Blanche Ritzberger, Mrs. Mary Seegins, Mrs. William Taylor, Mrs. Ellen Stenger and Mrs. Adeline Schwander.

Enrolled as a new member was Mrs. Edith Rhodes.

ENGAGED. Miss Judith Land, whose parents, Rev. and Mrs. George W. Land, 227 Greenway drive, are announcing her betrothal to Bobby Lindell Huffman, a son of Mr. and Mrs. Robert Huffman, Winfield, Mo.

Huffman-Land Engagement

Rev. and Mrs. George W. Land, 227 Greenway drive, are announcing the engagement of their daughter, Miss Judith Land, to Bobby Lindell Huffman, a son of Mr. and Mrs. Robert Huffman of Winfield, Mo. A winter wedding is planned.

The bride-to-be is a graduate of the Edwardsville high school. Mr. Huffman, who is now in the U.S. Navy, was graduated from the Granite City high school.

Members of Garden Clubs Attend District V Meeting

Three local garden clubs, Cloverview, Gardenaires and Garden Study club were represented Thursday at a meeting of District V, Garden Clubs of Illinois Inc., at Christ United Church of Christ in Belleville, honoring presidents and past presidents of the garden clubs.

The Shiloh Valley garden club, Mrs. Herman Knoebel, president, was hostess group and ninety women attended. Table decorations of gourds, fruit and flowers.

Mrs. Arthur Eisner, director and a member of the Lakeview Acres club of Collinsville, welcomed the assembly and introduced the speaker.

Mrs. Leonard Bork of La-Grange, Ill., a noted lecturer, speaker and horticulturist, gave a floral demonstration after the luncheon meeting and illustrated her talk with slides. She made ten arrangements, beginning with Japanese and ending with modern or abstract, explaining the gradual changes in rhythm and pace. One of the arrangements entitled "Tenderness" appears in the new 1963 Flower Arrangement and Garden Calendar by the National Council of State Garden Clubs Inc.

Attending the meeting from the local clubs were: Cloverview, Mrs. John Wilson, president; Mrs. John Jones, Mrs. V. J. Liscar and Mrs. B. C. O'Neill, district publicity chairman; Gardenaires, Mrs. John Farrel, president; Mrs. Charles Kohl, district recording secretary; Mrs. Mary Kristian, Mrs. Abe Shannon, Mrs. Darrel Edwards, and Mrs. George Werner; Garden Study, Mrs. C. E. Eads, president.

Church Honors Cells on 25th Anniversary

Members of St. John Lutheran Church honored Mr. and Mrs. Joseph C. Cell at a church banquet Sunday on the occasion of their 25th wedding anniversary. Mr. Cell is president of the congregation and his wife is church organist. The meal was prepared by the Ladies Aid Society.

Earlier, the congregation presented Mrs. Cell with a special citation for her services as church organist for more than 30 years. The presentation was made by O. T. Potter, chairman of the board of elders, at the morning worship service.

The congregation resolved earlier this month to purchase a new electronic organ. It will be installed within the next three weeks.

Red Devils Rip Ss. Peter & Paul But Falter Against Tall St. Paul

Venice's Red Devils opened their basketball season with a 74-46 romp over visiting St. Peter & Paul of Waterloo but then stumbled 60-55 before St. Paul at Highland.

The Friday night contest was virtually no contest at all as Venice rolled up a 40-13 half-time lead with a 25-point second quarter outburst. For the first time in the difference Saturday night as St. Paul hit 18, twice the number scored by the Devils.

Cosch Bill Ohendorf's club had a seven-point lead over St. Paul's tall Vikings in the third quarter but the host team roared back to gain the victory. St. Paul also defeated Venice in an early season game last year but the Devils improved and won a second contest late in the season.

"It showed us where our weaknesses are," Ohendorf said. "We are young and haven't jelled yet. I still think we're a better ball club but later on I think we'll prove it."

Dillon Hits 26
Against St. Peter & Paul's Hawks, Percy Dillon hit 12 of 23 field goals attempts and wound up with 26 points. Next was his high Lincoln school teammate (Lincoln has merged this year with Venice) Rich Jackson with 12.

The same duo paced the scoring against St. Paul with Dillon getting 18 and Jackson 17. Sophomore Rich Essington, the Devils' top scorer on last season's 16-5 team, was third high both nights with 11 and 12 points.

The Friday game was a runaway win, as expected, Saturday's duel wasn't decided until the closing moments. The Vikings had a one-point lead (56-55) but Rich Hoffman hit two free throws for St. Paul. Two more free losses with two seconds remaining by Dwight DeLoach merely kept the victory cake.

Columbia Next Too
Hoffman's 20 points and 11 by Steve Moss led St. Paul, now 2-0 for the season. The Highland team is one of the best smaller school aggregations in the area with eight lettermen from the 1983-84 squad, which compiled a 24-6 mark.

In junior varsity action, Venice downed St. Peter & Paul 64-44 at Denny Hill scored 12, Gary Puent 11 and Dwight DeLoach and Johnny Gardner 10.

Local Fishermen Hook Strings at Table Rock
Latest fishing report from Table Rock Lake, Mo., indicates Granite City fishermen have had good luck recently.

Dr. Melvin J. Freedman and Dr. Irvin Wiseman caught 27 1/2 on a reel and minnow, and 43 crappie on minnows, with Dr. Freedman hauling in a five-pound largemouth, Mike Leisner also hooked a five-pound bass among nine he took on a helicopter and a reel.

SLIPPING BETWEEN St. Peter & Paul defenders, Venice's Rich Essington scores a field goal in the first Friday night. The Red Devils won easily, 74-46.

each. St. Paul, after losing a 35-6 freshmen game last year, downed the Devils' jukes 39-31. DeLoach had 11 points.

Venice takes its 1-1 record to Columbia tomorrow night for a game with coach Mush Baskin's Eagles, undefeated in two starts. Although Columbia started the season without a single letterman (the one returnee is injured), the Eagles have defeated Okaville 47-37 and Valleyview 52-42.

Last year, Venice topped Columbia 70-42. After tomorrow night, the Devils are scheduled Dec. 4, when they open defense of their Madison-Clinton-McCoun Conference title at West Clinton.

Lincoln Squad Downs Madison Dunbar 50-32
Lincoln of Venice defeated Dunbar of Madison 50-32 in eighth grade basketball Thursday. It was the first game for both teams.

Harvey Williams scored 12 points to pace Lincoln's victory while Lester Buckles paced Dunbar with eight. In the "B" game, Dunbar won 32-23 with Terry Benton hitting 12 and 13. Dunbar's White and John Evers hoop six each.

Warham Buckets 27
Granite City's Carl Warham scored 27 points but his Sanford-Brown Business College team lost to St. Louis 41-39 in a basketball game Saturday night. Sanford-Brown led 41-39 at halftime.

Prather Upended By Edwardsville
Edwardsville's tall Wildcats topped the Prather Chicks 60-33 Thursday night as the local junior high school opened its season here. It was the second victory for Edwardsville, which opened with an 81-29 trouncing of Prather.

Coolidge's Bob Miller, the fourth grader played well in the first quarter but fell behind 15 by halftime. Dennis Agles and Kenny White both scored a dozen points for the visitors.

Don Rains paced the Granite City boys with 14, Terry Metcalf, Dennis LaMarchia and Roddy Caskley getting four each and Barry Lloyd three.

"We were surprised outmatched," said Miller. "They had much more height—they have five players over six feet. They had a good defense. I told me this is the best group I've had in several years."

In the eighth grade preliminary, Edwardsville took a 32-21 lead by halftime. For Praher, there was Dennis McGee (7), Ron Laws (6), Larry Pirtle (3), Roger Beishe (2) and Bill Carter (1).

Wrestling Outlook Rosy Again

Barring a rule change that would alter every wrestling team except Granite City to use gorilla or octopus, coach Bill "Red" Schmitt should notch his 100th dual meet victory at the high school this season.

His record in dual meets is 108 wins, 13 losses and one draw over 14 seasons—perhaps the best mark in all the United States.

Unless history is reversed dramatically, No. 199 will come in the open season Dec. 5 against Normandy and No. 200 Dec. 9 at Riverview Gardens.

Schmitt's Fighting Warriors have won 128 consecutive dual meets with Missouri and Southern Illinois schools. The last Missouri team to defeat Granite City was Normandy in 1954; the last Southern Illinois squad to triumph was Belleville in 1956.

But Schmitt, an admitted pessimist, isn't making any predictions. "I never count my chickens until they're in the frying pan," he said.

With nine returning lettermen, however, the Warriors look good bets to extend their streaks as winners of seven consecutive Southwestern Conference championships, of every district tournament since that level was instituted in 1958, and of 11 straight sectional titles.

Three Quadrangulares Set
Once again, the team faces a demanding schedule. There are 14 dual meets (three less than last season) along with three quadrangulares, two triangular and one Christmas tournament as the trend toward more multiple-team meets continues.

O'GIS has never before competed in more than one quadrangular in a season. One will involve North Chicago and Waterloo, the Warriors' traditional foe.

Robert Kurilla, 21, son of Mr. and Mrs. Alex Kurilla, 1803 Collinsville avenue, Madison, is the regular punter on the Fort Kustis Vals, a team which will play in the Mississippian Bowl Dec. 5 at Orlando, Fla.

As a senior, Kurilla, 159 pounds, Kurilla is holding his own in competition with players from professional teams and college players. His squad had a 6-1 record, losing only to Larkland Air Force Base, Tex., by a 1-0 score.

"The Fort Eustis' wheels" bowl opponent is expected to be chosen from among Fort Campbell, Ky., Fort Hill, Okla., Larkland or Fort Devens, Mass.

Coach Andy Sullivan's Granite City Warriors begin play Dec. 5 at Riverview Gardens. The Warriors' first game will be Dec. 1 at East St. Louis while the Warriors' second game will be Dec. 9 at Riverview Gardens.

The Trojans begin defense of their Midwest Conference championship with a season opener at 4 p.m. at both schools.

Coolidge Loses In Atom Soccer
Roxana clipped Coolidge's Atom team 4-1 in a soccer game Saturday night. The Atom team was the local basketball team.

The teams were even 11-11 in the first quarter but Roxana pulled to within four points but couldn't close the gap.

"It was a typical first game," said Coolidge coach John Toncotti. "We made lots of mistakes. We were out of sync. The scoring department were Ron Sheppard and 13 and Jeff Jones with 12."

Roxana also took the eighth grade encounter 44-41 with Coolidge. The local led 20-17 at the half, Gary Simpson's 15 and John VanBuren's 13 led the Braves.

The Coolidge seventh graders went to Roxana and took a 1-0 victory. Pacing the victory were Ron Simpson with 13 and Gary Simpson with 12.

Schmitt Near 200th Win

Senior Gary Forshee—21-5-2 at 180, where he will perform again—went to state in sophomore year; senior Tom Miskay—20-6-1 at 133 but now goes at 145, won district championship; senior Mike Mounier—7-13 at 143 and now is up to 145; and senior John Evenden, returning to heavyweight class where he had 20-5 mark—was district champion and as sectional runner-up went to state meet.

With so many lettermen, newcomers don't figure to have much of a chance for regular participation, although intrasquad challenge matches are yet to come. Two sophomore prospects named by Schmitt are 95-pounder Joe Martinez and Bill Fuchs, who might go 95 or 103.

RUTH CIRCLE HOLDS MEETING
Mrs. Stanley Edwards, 2200 Elma avenue, entertained Ruth Circle of Central Christian Church Thursday evening.

The meeting opened with prayer by Mrs. Jesse Tapp, president, and plans were made for the annual Christmas party at the church on Dec. 13. Canned goods and gifts for the Salvation Army Christmas baskets are to be brought to the church at that time.

Mrs. W. T. Latham was in charge of the study program and the worship service was by Mrs. Fairy Montgomery. A Thanksgiving theme was used.

Shower Honors

Miss Carraher
Miss Judith Carraher, who is to be an early December bride, has been honored at a number of pre-wedding parties. One of the loveliest of these was the miss-cellaneous shower Sunday afternoon which her cousin, Mrs. Kenneth Baker, and Mrs. Carl Burdick entertained at the home of the latter on Route One.

The buffet table was decorated with pink and white carnations and pink dragon, and pink and white roses, wedding bells and other flowers adorned the rooms throughout. The gifts for the bride were placed on a round table in the center of the living room resplendent with a pink and white rose wedding, balls and other (lovely) adorned white satin cloth edged with more of the balls.

Miss Carraher will become the bride of Walter J. Padgett in a civil ceremony on the afternoon of Dec. 12 at St. John United Church of Christ on Nameoki.

Among the guests at the City.

Mrs. Evelyn Gavin, president of the Granite City Association of Women, and Mrs. Em. For Aid to Retarded Children, met Carraher. Area PTA Told

Of Work Center
The Granite City Area PTA Council held a bi-monthly meeting Thursday evening at McKelvey school with Mrs. Lucille Caban, president, in charge. Mrs. Kathleen Tadlock led the PTA prayer and flag parade.

William Hesselstien, vice-president and program chairman, introduced Reid Zentner from Alton. Specialized Secretary, who spoke on "Conserving Human Resources." He explained a booklet for handicapped young adults from age 16, where their abilities are evaluated and they are trained to earn a living and to become self-reliant.

Zentner said there are now 16 young adults from Granite City at the Alton center. Twelve attend eight-hour daily sessions and four attend on a part-time basis.

He praised educators and industry leaders for cooperation. Zentner reported that a similar center is planned for Granite City at the Alton center.

Purchasing-Shows Gains; Half-Year Tally \$39 Million

Quad-City area purchasing in the second quarter of 1964 rose to \$22,751,680, substantially higher than the \$16,615,851 figure for the first quarter, Illinois Department of Revenue records disclose.

Advances were recorded in every category as buying for the first half of 1964 reached \$39,367,531. The total for all of 1963 was \$67,444,433, a level that appears likely to be topped by a wide margin this year.

Food, the perennial leader, trailed in the April-May-June period, aggregating \$5,132,980, compared to \$6,895,003 reported by manufacturers.

Third position was garnered by automotive and filling station reports, \$3,993,577, followed by \$1,336,240 at drinking and eating places, \$1,191,803 at lumber, building supply and hardware stores, \$1,180,027 at retail-wholesale stores, \$1,114,902 at general merchandise firms, \$827,014 at furniture, household goods and radio stores, \$648,903 at apparel firms and \$209,169 miscellaneous.

A different breakdown of the \$22,751,680 second-quarter tabulation reveals \$19,735,298 buying in Granite City, \$2,323,000 in Madison, \$388,835 in Venice, \$81,077 at Mitchell and \$21,408 in the village of Pontoon Beach.

Boycott of Sunday Sales Out-of-Town Urged by Churches

A boycott of out-of-town stores which retail non-essential items on Sundays is to be urged through Quad-City churches Sunday, Nov. 29, in sermons, announcements and in literature that will be distributed at the churches on that day. It was learned today from Rev. John Surbey, pastor of St. John United Church of Christ and chairman of the Social Action committee of the Quad-City Ministerial Association.

The move grows out of a meeting held Thursday night, the second in a planned series of "town hall" meetings—in which Sunday retailing was discussed by Joseph Clark, St. Louis AFL-CIO president, and Melvin Miller, W. T. Grant Co. store manager in Granite City, followed by a question and answer period.

The decision at the meeting was to make a renewed effort against Sunday buying through the churches. Ministers and pastors of churches in the Quad-City area will be asked to include in their sermons or announcements a reference to Sunday shopping as a means of discouraging patronage of stores that make it a regular practice to retail non-essential items on Sundays.

The Illinois AFL-CIO and Illinois Council of Churches are to be advised of local interest in the Sunday sales issue, possibly leading toward revival of the topic on a statewide basis. A widespread move for Illinois legislative action several years ago proved unsuccessful.

Rev. Surbey said further steps in the campaign will be worked out soon.

Appellate Judges to Draw Lots for Terms

The three newly-elected appellate court judges of the Fifth Judicial district were to meet in Mount Vernon, this afternoon to determine the allotment of the six, eight and ten-year terms on the appellate bench. The terms start Dec. 7.

The three judges—George J. Moran of Granite City, Joseph Goldenhersh of East St. Louis and Edward C. Eberspacher of Shelbyville—will determine the question by lot. Moran said before he left here Monday that a procedure had not been determined but that the different terms probably will be decided by drawing straws or numbers from a hat.

Under the new court system the judges, now that they have been elected, will not be required in the future to seek reelection on a partisan basis. Upon expiration of the designated terms, the name of the judge is presented to the voters with the question as to whether or not he should be retained in office.

Madison Lions Hear Zone Meeting Plans

A progress report on preparations for a bi-monthly zone meeting at which the Madison Lions will be hosts on Dec. 3 was given Thursday by George Dillard during the local club's dinner meeting.

Dillard told the 33 members present for the meeting at the Sportsman's Club that representatives from five area Lions Clubs are expected to attend. Edward R. Dubish, president, was in charge of the dinner meeting.

Distribute Audit Forms for Counties

Madison county will be among other Illinois counties to receive a copy of a model county audit report and audit guideline to aid in compliance with a new state law requiring 87 counties to be audited annually by professional accountants. The audit forms are being circulated by the office of State Auditor Michael J. Howlett, with whose office the annual audits also must be filed.

The model report and guideline is a 98-page book prepared by the Illinois Society of Public Accountants with the help of the County Audit Advisory Board. It is designed to aid the work of county officials in complying with the law, and its use will result in greater uniformity and will provide the basis for accurate statistics to be presented in an annual summary which Howlett intends to publish.

County officials must submit their first report under the new law for the fiscal years that end in 1964 for counties of 10,000 to 500,000 population. Assuming perfect compliance, the first statewide summary of county finance in Illinois should be published in 1965.

lished by Howlett's office in 1965.

The model report contains financial statements of funds commonly found in Illinois counties. All the general administrative or normal functions of county government usually are included in the General fund, for which the most important budget is prepared. Another exhibit of the model report represents a balance sheet of trust and agency funds, in which the county acts as agent for other taxing bodies in collecting and holding monies.

County officials must submit their first report under the new law for the fiscal years that end in 1964 for counties of 10,000 to 500,000 population. Assuming perfect compliance, the first statewide summary of county finance in Illinois should be published in 1965.

MOHAWK CARTIER ONLY \$7.95 Square Yard

... made of 100% Cumuloft® nylon pile

INCREDIBLY STRONG... Tough, durable... no fiber can outwear nylon. And no ordinary nylon carpet fiber can beat the strength of Cumuloft nylon. Cumuloft nylon is a continuous filament textured yarn that retains nylon's full strength.

RICHLY LUXURIOUS... You have to feel the lush depth underfoot! You have to see the rich surface... the fabulous new depth and clarity of color! Carpet of Cumuloft nylon pile is like no carpet you've ever owned. It has warmth and softness that is unbelievable.

RESISTS FUZZING AND PILLING... Cumuloft nylon is a continuous filament nylon, with no short loose fibers to pill up or fuzz. That's why carpet of Cumuloft nylon doesn't shed.

RESILIENT... Step on it. Jump on it. Carpet of Cumuloft nylon keeps coming back for more! The resilient nylon yarn springs back, resists matting and retains its luxurious texture.

EASY TO CLEAN... Because the smooth, non-absorbent Cumuloft nylon yarn resists dirt and dust, soiling stays right on the surface where you can whisk it off with the vacuum cleaner. Spills are no catastrophe either. Just spot clean with a detergent and water.

Three GC Men Honored At Army Depot Dinner

Presentation of 1500-hour Sick Leave Club cards to three Granite City guards of the Army Depot was a highlight of a luncheon meeting in the officers' open mess recently, at which the Security Division of the Directorate for Administration was host to the depot's guard membership.

Those who received the club cards are Sgt. Ben Schneider, 2104 Cleveland Blvd.; Lt. Waldo E. Mott, 2602 East 28th street, and Lt. Lawrence L. Griffith, 2616 Center street. The awards were made by Major Bruce Walker, director of the Directorate for Administration.

Amsted Sees Hike In Quarter Earnings

Amsted Industries, parent company of American Steel Foundries, last week reported its net income in the quarter ending Dec. 31 is expected to increase from a year ago. In the 1963 quarter, the company earned \$1,845,529 or 67 cents a share. Earlier Amsted announced all-time record earnings and sales for the 1964 fiscal year with a net income of \$9,922,000, up from \$7,122,000 a year ago. Earnings per share rose to \$3.60 from \$2.57, an increase of 49%.

Yesterday in Boston, president Joseph B. Lanterman told a group of security analysts: "The benefits derived from the program of diversification and capital improvements, conducted without interruption during the past decade, coupled with a healthy general economy, produced the greatest year in Amsted's history." He foresees another good year in 1965.

Lanterman also announced the company has signed a license agreement allowing Nylor Bruks, a Swedish steel company, to use Amsted's patented controlled pressure pouring casting process. With the process, semi-finished steel mill products such as slabs, blooms, billets and tube rounds can be directly cast from molten steel.

Car Wash Planned For East Granite; 19 Permits Issued

A building permit for another automatic car wash was issued last week by Earl Bloomquist, building inspector, to the GCN Car Wash at 2600 Nameoki road. The cost was listed at \$10,000.

The ground is owned by William Kosyak and Richard Shroat of the East St. Louis area is the contractor.

It was among 19 permits issued during the third week of November, with new construction values totaling \$55,853. Fifteen permits have been issued so far during the month.

Young & Greenawalt Co. obtained a permit for completion of a factory building off Highway 3, costing an additional \$32,800 and bringing the total cost of construction to \$66,400. Mercer Mortuary obtained a permit for general repairs at \$3000.

Permits for store signs were issued to Mandel's Apparel, Nameoki Village shopping center, \$800; Sears Roebuck & Co., Nameoki Village shopping center, \$800; and Holiday Cleaners, 2400 Nameoki road, \$1000.

Raze Gas Tanks
Illinois Power Co. obtained a permit to raze gas holder tanks on Highway 162 at a cost of \$20,000.

Permits for five garages and carports were issued to Paul Moore, 2613 Iowa street, carport, \$150; Helen Slattery, 2511 Iowa street, carport, \$400; Harry Hendrick, 2325 Sheridan avenue, replace old garage, \$500; John E. Dehart, 1367 Edwardsville road, carport, \$350; and Loy Sykes, 2019 Denver avenue, garage, \$800.

Remodeling, Repairs
Permits for remodeling and repairs went to Maurice Hempel, 2237 Waterman avenue, general repairs to garage, \$200; John Shipley, truckpointing and repairs to house at 1911 Grand avenue, \$1500; Ira M. Bindom, 2112 Dewey avenue, install steel siding and stone, \$2000; Gregor Sido, 2441 Iowa street, repairs to garage floor, \$45.

Madison County Federal Savings & Loan Association, general repairs to porch at 2336 Edison avenue, \$300; Claudia Ream, 2028 Madison avenue, repairs to driveway, wall and steps, \$800; Harold McConnell, 2417 Missouri avenue, concrete unit steps, \$172; and Thelma Toth, 1567 Lindell Blvd., concrete unit steps, \$76.

Driving Charge Dropped
A reckless driving charge against Howard L. Jordan, Rural Route One, was dismissed, but he was fined \$10 and costs on a charge of driving on the wrong side of the road by Magistrate Gasparovic Thursday. He was arrested Oct. 20 at 2437 Missouri avenue.

IRS Explains Changes In Income Tax Law

Some of the taxes previously deductible on Federal income tax returns will not be deductible by individuals under provisions of the 1964 law, the Internal Revenue Service said today.

These are the state and local taxes on alcohol, cigarettes and tobacco, and certain auto license and driver fees and a few miscellaneous taxes.

Taxes that are still deductible are real estate and personal property taxes, general sales and certain use taxes, and gasoline taxes.

According to Philpott, the changes in tax deductibility should not have a major effect on local taxpayers. These non-deductible taxes accounted for only 12% of the deductions taken last year. He added that there is no change at all in the taxes that may be deducted on business returns.

GC Educational Group To Meet Today

The Granite City Educational Association will meet at 4 p.m. today in the Niedringhaus school cafeteria.

The program will consist of a panel discussion by four chairmen of the special school committees. They are Frank Kraus, assistant principal at Coolidge school, who will discuss the "Summer School Program"; Bobby Joe Davis, principal of Central school, who will speak on "The New Junior High School"; John Selwyn, a teacher at the senior high school, whose topic will be "Foreign Languages"; and Dale Rea, principal at Emerson school, who will discuss "Instructional Material and the NDEA."

DO YOU TAKE VITAMINS AND STILL FEEL TIRED?

If you take vitamins and still feel tired, your trouble may be due to iron-poor blood. Vitamin alone can't build up iron-poor blood. But Geronit can! Because just two Geronit tablets, or two tablespoons of liquid Geronit, contain 7 vitamin plus twice the iron in 1 lb. of calves' liver.

In only one day Geronit-iron is in your bloodstream beginning to carry strength and energy to every part of your body.

With your doctor and if you've been feeling tired because of iron-poor blood, take Geronit, liquid or tablets, every day. You'll feel stronger fast in just 7 days or money back from Geronit.

GC Crew Chief on Craft Setting 2000-Hour Mark

William H. Poole, 26, son of Mr. and Mrs. Oscar Poole, 1933 Grand avenue, is serving as crew chief AIC aboard the latest tactical Reconnaissance Wing long flying craft that recently marked up 2000 hours of flying time. His parents said William is stationed in France. He has been in the service seven years and has been overseas two years.

Poole's craft—designated as Voodoo Number 101—could have chugged up four round trips between the earth and the moon, or could have made 84 trips around the earth if all the flying time was packed into a single trip. At the controls when the ship hit the 2000-hour mark was Capt. Joe B. Whitt of the 22nd Tactical Reconnaissance Squadron, who stated that "much of the credit for the craft's fine performance should go to Poole and his assistant, A2C Howard Holmiller. The craft is the third in the squadron to break the 2000-hour mark this year."

Highway Planners' Report

Top Priority for Great River Road in Quad-Cities Area

Construction of the southern extension of Federal Aid Route 151—also known as the Great River Road—is given top priority by among the major highway and street improvements recommended for the Quad-City area, a detailed planning and designing for the first section of the project already are well advanced, state highway officials said today.

Officials said some right-of-way negotiations have been started in connection with the first section of the southern extension which will extend from a point just north of West Pontion road to Niedringhaus avenue, but that the greater part of right-of-way acquisition probably will extend through most of 1965. The second section of the PA route 151 extension will extend from Niedringhaus avenue to the Illinois Terminal Railroad structure in Venice.

The section of the Great River Road skirting Granite City, Madison and Venice is included in the H. W. Lochner engineering report recommending \$47,949,000 worth of highway and street improvement projects for the Quad City area—to be carried out over the next 20-year period. The report was prepared by the engineering firm for the Illinois highway department and was outlined in detail at a public hearing in the city hall here last week.

Just when actual construction on the Quad-City phase of the expressway project will begin depends upon programming by the Springfield office of the highway

department. The 1965 directional highway projects in this division of the highway department is not expected to be received by the French Village division until after the first of the year. Glenn Sawyer, assistant engineer of research planning at French Village, told the Press-Record that there has been no indication that any of the construction will be carried out next year, but that such a decision will depend upon programming by the Springfield headquarters.

Priority 3 Rating
Route 151 has been completed to the point north of West Pontion road where the southern extension will be started as the next phase of construction. Also recommended in the report—but with a priority 3 rating—is the southward extension, which is that part of the expressway extending from Venice to East St. Louis, Ill., passing through the north-south highway from Alton to East St. Louis.

Alignment of the Quad-City section of the Federal Aid route will pass to the west of the built-up areas of Granite City, Madison and Venice, adjacent to the Bi-State and Tri-City Ports, along the west edge of the G.M.&O. tracks into Venice and will overcross Main street and the G.M.&O. tracks in Venice. Connection will be made to the McKinley bridge and at-grade intersections will be provided at the principal thoroughfares of Missouri avenue, Pontion road, North street, Rock road, 20th street and Niedringhaus avenue in Granite City; Bissel street in Madison and Broadway in Venice.

The length of the project from north of West Pontion road, starting point of the proposed new construction, to 20th street, will consist of four-lane, divided, limited access roadway with an overpass at the Illinois Terminal tracks north of North street. Between 20th street and the Main street, ramped into the McKinley bridge in Venice, the highway will have a six-lane, divided cross sections with an overpass at the tracks at the Army depot. Ramps will be provided to Main street in Venice and Main street will be improved to the McKinley bridge.

Main Street Overpass
The project will continue south of McKinley bridge as a four-lane, divided roadway with an overpass of Main street and the G.M.&O. tracks. The existing Illinois Terminal Railroad structure south of McKinley bridge is to be moved south through this structure. The southern extension ends at this point and will be the starting point of construction of the southward extension to East St. Louis is completed, the report states, "this improvement will provide a direct, free-flowing access route for traffic moving between the Quad-Cities and East St. Louis, and to major destinations along its length, including the McKinley bridge. Traffic to and from the project areas and the Army Depot will be able to avoid the built-up

areas of the Quad-City communities. The proposed connection to East St. Louis will replace the present congested and hazardous Illinois Route 3 which now passes through Madison and Venice and south through Brooklyn and National City."

The Quad-City phase of the PA Route 151 construction calls for an expenditure of \$10,304,000 for both sections. Cost estimates for the first section—that from north of West Pontion road to Niedringhaus avenue, calls for \$655,000 for right-of-way, \$464,000 for engineering and contingencies, and \$3,531,000 for construction work, a total of \$4,650,000.

Second Section Estimates
Estimates on the second section include \$845,000 for right-of-way, \$388,000 for engineering and contingencies, and \$4,183,000 for construction.

The southward extension from McKinley Bridge to East St. Louis to be built later contains an estimated \$241,000 for right-of-way, \$162,000 for engineering and contingencies, and \$1,158,000 for construction, a total of \$1,561,000. The southward extension

Airman Ronald Butler In Missouri Exercise

Airman First Class Ronald Butler, son of Mr. and Mrs. Taylor N. Butler, 1913 Spring avenue, recently participated in Exercise Gold Fire I, a joint Air Force-Army training program conducted in the Ozark Mountains of south-central Missouri. Airman Butler, an aircraft ground equipment repairman assigned to McCune AFB, Mo., is a member of the U.S. Air Force Military Air Transport Service. He is a graduate of Granite City high school. Also involved in the same exercise was Airman First Class Ronald L. Shearlock, of Troy, son-in-law of Mr. and Mrs. Ben Eberhart of Mitchell.

The projected 1982 traffic volume for PA Route 151 indicates volumes in the 25,200 vehicles per day range, north of West Pontion road, and in the 19,000 per day range south of the Main street ramps in Venice.

50 years ago three young brothers, Dave, Harry and Neil Fredman founded a small furniture store in Collinsville, Ill. They had in mind a family business that would grow just as their families grew, through the years. For this reason they established the following business policy and ideals which they have maintained throughout the years: "To Build a Store That Will Be a Credit To The Community Which It Serves, To Foster a Fine Relationship Between The Store, Customer, Co-workers and Suppliers. To maintain And Always Sell Merchandise at The Lowest Possible Price. To Understate Rather Than Exaggerate In Advertising and Selling. To Consider No Transaction Closed Until The Article Purchased Has Rendered Satisfaction. To Measure Success Only By The Service Which It Is Able To Render Its Customers."

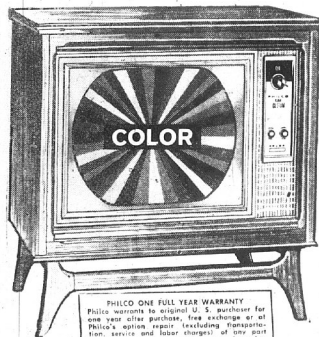

These were the policies originally set forth by the 3 founders. ANNOUNCEMENT NEW ARRIVAL

Mrs. and Mrs. John J. Vaughn, 2538 East 27th street, are announcing the birth of a daughter, Nov. 18 at Christian Welfare Hospital, East St. Louis. The baby weighed seven pounds and four ounces.

The Vaughns have two other children, Jennifer and Jeffrey. Maternal grandparents are Mr. and Mrs. Mike H. Barry and paternal grandparents are Mr. and Mrs. John Vaughn.

BROWNIES TOUR FIRE STATION

Brownie Troop 730 enjoyed a tour of the fire station at Madison Avenue Wednesday afternoon. The troop presented the firemen with a box of Brownie cookies as a token of appreciation.

Following the tour, the girls returned to the homes of their leaders, Mrs. Carol Wellman, 26 Rivera drive, for a regular meeting.

The Brownies presented Mrs. Marge Johns with a box of cookies as a going-away gift. She is a former troop leader, who will be moving out-of-town soon. Mrs. Johns and Mrs. Lenora Crescovich, assisted with transportation to the fire station.

Brownies/present were Rhonda Tharp, Jeanne Beth Johns, Lori House, Karen Gligich, Debra Harmon, Phyllis Meyer, Lisa Gendron, Elaine Lockhart, Denise Sharp, Valerie Orescovich, Patricia Rill, Patricia Brokaw, Debra Meyer, Patricia Wellman, Paula Williams, Judith Wargin, Tamara Duff, Deborah Cavins and Denise Speer.

Also present were the co-leader, Mrs. Mary Lockhart, and her sons, David and Larry, and Martha Wellman.

The next meeting will be held in the Wellman home on Nov. 25.

MISS BAGBY SPEAKS AT NAMEOKI WOMEN'S CLUB

A 12-30 luncheon was served to members of the Nameoki Women's club Wednesday in the home of Mrs. John Harsh, 2281 Lynch Avenue. Co-hostesses were Mrs. Harold Stewart and Mrs. William Ogden.

Mrs. Ernest Vleit introduced the guest speaker, Miss Betty Bagby, executive director of the Madison County Easter Seal Society. She showed slides of the new treatment center in Venice for the handicapped.

Mrs. Charles Littlejohn, president, outlined the business meeting and led a discussion on the annual Christmas party. Final plans were made to hold the affair Dec. 16 in the home of Mrs. Dawson Wade, 3314 Washburn Avenue.

Co-hostesses will be Mesdames Merl Jennings, Louis Meek, Paul Maas, Royal Ramsey, Leo Schenmer and Fred Werner. Invitations of the usual gifts, members will make donations to the Lincoln Lodge Boy's Town. White elephant gifts will be used for the party.

Mrs. Wade, wares and means chairman, announced that holiday ribbons for sale have been distributed to members. Pro-

ceeds will be used for charitable projects.

Those present were Mesdames Freeman Abner, Royal Ramsey, Emma Eder, Hannel Blumensack, Robert Brandsmark, Harold Caldwell, Wilford Cooley, Merl Jennings, John Jenkins, Russell Johnson, Paul Maas, William Ogden, Fred Orr, Paul Reingens, Leo Roman, Frank Seiler, Otto Shelton, Herman Steinberg, Harold Stewart, Fred Werner and those named.

MISS MAYLATH HOSTESS TO ETUDE MUSIC CLUB

Miss Elsie Maylath entertained the Etude Music Club Wednesday in her home, 2643 State street.

Mrs. James Harsh, president, conducted a brief business meeting, followed by Mrs. Nelson Hediger reading a paper entitled "Life of Gian Carlo Menotti."

Mrs. Richard Branding sang "Black Swan" from Menotti's opera, "The Medium."

Mrs. Vasil Vasileff, a guest, played excerpts from a Mendelssohn concerto for violin and orchestra, accompanied at the piano by Miss Maylath.

The program concluded with Mrs. William Lockhart giving a paper on the life of Samuel Barber, with Miss Maylath playing selections of Barber's compositions for the piano.

Others attending were Mesdames John Harsh, Mrs. Lenora Crescovich, Richard Yeager and Stanley Young.

The next meeting on Dec. 16 will be a Christmas party at the Ledbetter home, 3216 Harvard Avenue.

ALTAR SOCIETY ELECTS NEW EXECUTIVES

The Altar Society of St. Elizabeth's held its annual meeting Wednesday evening in the school cafeteria with 47 members and guests present.

Mrs. Ann Pate, president, opened the meeting with prayer.

An election of officers was held and those named for the ensuing year were Mrs. Pate, president; Mrs. Marge North, vice-president; Mrs. Jean Schwarzkopf, secretary; and Mrs. Ruth Mahoney, treasurer.

The program was provided by Mrs. Mary Knecht, assistant pastor of Madison County. Four-H clubs, who showed slides of club activities.

Assisting with the program was Mrs. Ruth Braye, leader of the local 50ers group, whose members gave a food demonstration and style show. The girls modeled clothing which they had made during the past year.

The "angel of the month" went to Mrs. Eileen Watt and the Madonna was given to Mrs. Christine Allert. Refreshments were served by Mrs. Kathy Busch and her committee.

MRS. THOMPSON HOSTESS TO CANDLELIGHTERS

Mrs. Doris Thompson entertained the Candlelighters Wednesday evening in her home, 2146 Woodlawn Avenue.

The hostess used a Thanksgiving theme in the decorations with mums and cattails arranged for the table centerpiece. Room candles were in holders shaped autumn leaves. The tablecloth and napkins were decorated with Thanksgiving pictures.

Pinocle was played and those winning prizes were Mrs. Shirley Thompson, first and the

Scout Camping Rally

National camping awards will be presented to Boy Scout troops during a camping rally at 7:30 p.m. tomorrow at Camp Graham. Reservations will be made for 1965 Camp Sunnen and Ozark river trip activities.

Instructions for the various categories of campers were outlined by Nasser as follows:

Protected: Pension—On the card with a salmon stripe. 33,366 veterans and 16,102 widows must report their 1964 income and estimated 1965 income. Beneficiaries in this group have already received an insurance card under the law. Pension checks must be suspended. However, John B. Nasser, VA's regional manager for Illinois, urged pensioners to get the cards back as soon as possible, not to lay them aside until the last minute. Each year this results in several thousand delayed checks which have to be suspended by VA until the cards are returned.

Nasser pointed out that this year VA needs all the extra time possible to process the income information due to a number of complicated changes under a new pension law.

Some veterans will not be eligible for a 7% increase and other benefits unless they elect to change from the older, seniority protected pension program to a newer program enacted in 1960. Complete information will be found on an instruction sheet with the card.

The VA manager cautioned veterans not to apply to the new benefits when answering the income questions. All questions must be answered on a sliding scale, dependent on income.

Dependents' Payments (DPC) There are only 138 parents of deceased veterans receiving DPC money and Indemnity. Cash pension payments in Illinois. They will get blue cards and must report income of self and spouse. Payments in this group are also on a sliding scale.

WEATHER PREDICTION

The U. S. Weather Bureau 30-day outlook for late November to mid-December in Illinois for precipitation to average two inches or more in the north and three inches or more in the south.

Temperatures for the same period are expected to average above seasonal normals except near normal west of an approximate line from Moline to Havana to Alton.

RABBIT HUNTING EXPECTED TO BE GOOD

Rabbit hunters in southern and west-central Illinois will not see as many cottontails as they did last year but hunting will be good, according to the Illinois Department of Conservation.

Rabbit season will begin at sunrise, Tuesday, Nov. 24, and end at sunset, Jan. 31, 1965. Hunting hours will be from sunrise until sunset with the daily bag limit five rabbits and the possession limit ten. On the first day of the season when both limits will be five rabbits.

Although there has been a decrease in rabbit numbers from

last year, the best hunting in Illinois is still in counties along the Mississippi from Hancock County south and from Madison, Montgomery, Shelby, Cumberland, and Clark Counties, south. The rabbit population is higher than it was last year in Stephenson, Winnebago, Boone, McHenry, Lake, Ogle, Lee and Bureau counties but it is not as high as in southern Illinois. Rabbits are as numerous in central and east-central Illinois as they were in 1963.

COAL PRODUCTION

Coal production from 81 Illinois mines totaled 5,291,277 tons in October. L. Leon Ruff, director of the Illinois Department of Mines and Minerals, has reported.

This tonnage is an increase over the 4,609,000 tons mined during October 1963 and over the 4,753,841 tons mined in September of this year.

22nd AND EDISON GRANITE CITY

50 YEARS AGO

NOVEMBER 24, 1914
City Clerk George Furnish has spent most of his time this fall writing hunting licenses for residents of Granite City and surrounding territory. The sales this fall have broken all records, Furnish says. He blames the hard times for the increase in this department of his work.

"When times are hard, people are naturally out of woods," Furnish says. "and have more time to spend on short trips, and many to hit for the sport of hunting. Also a great majority of those who have secured licenses take them out with the expectation that they will go out and kill some rabbits. Rabbits make good eating for the average family and by securing several on a hunting trip, the man of the house thus supplies his family with meat and reduces the grocery bills."

"There have been a few St. Louis hunters in the woods of Madison county, but the high license, \$25, keeps the great number of them away. Hunters report that rabbits and quail are plentiful in this area."

A forest fire in the Cahokia Creek bottoms, which has been burning since Saturday, has destroyed trees and brush over an area of 50 acres of land. Farmers have been scaping away seeking to clear the area of buildings, but little effort has been made to extinguish the burning timber.

The following items were taken from the files of the Granite City Press-Record

THURSDAY, NOVEMBER 23, 1939
On the heels of a fog so dense that visibility was only a few feet, residents of Granite City were treated to an earth tremor at 9:15 a.m. today. It shook the entire St. Louis area. The tremor was two minutes and then quickly subsided. The tremor was followed by a flood of calls to the police station and the power company by worried and curious citizens seeking to learn what had happened.

An explosion was suspected at first, but investigation soon proved the tremor wrong. Residents and buildings all through the metropolitan area, to which the tremor was confined, were shaken and some of the smaller, weaker structures rocked noticeably. No reports of injury or damage were received, however.

Rev. J. B. MacDonald, director of the St. Louis University department of geophysics, said the center of an earthquake felt here was within 20 miles east or west of St. Louis. It was the most severe earthquake felt here in many years. One of the tremors on the university's seismograph, an instrument which registers earth shocks, thrown off its balance and made an erratic record.

The tremor was recorded for minutes on the seismograph, but was distinctly felt for not more than two minutes.

An application for a series of street paving projects costing approximately \$30,000, payable out of a local public works fund, was approved by the Granite City council Monday night and designated to be turned to WPA authorities for acceptance.

The proposition calls for a federal contribution of \$7,370, and \$23,700 in city motor fuel tax refund, thereby eliminating any costs to shunting property. To provide its share of the paving cost, the city will have to anticipate its motor fuel tax refund which averages slightly less than \$1400 monthly, until September of 1940.

Paving of 28 blocks or nearly 2 1/2 miles of streets, not all from curb to curb, are listed in the WPA application.

Pointing out that 30 epidemic outbreaks of communicable diseases involving 1244 cases of illness and 21 deaths were traced to contaminated raw milk supplies in the United States last year, Dr. A. C. Baxter, state director of Public Health, today issued a statement strongly recommending the use of pasteurized milk as a protection against the risk of infection in this way.

No case of communicable disease was attributed to pasteurized milk, Dr. Baxter added, although practically all milk in the larger cities of the state and nation is pasteurized.

Whispering of a plague and a dread abroad in Illinois to the effect that pasteurization does not stop the spread of undulant fever germs," Dr. Baxter said, "but such statements are entirely unfounded. Pasteurization kills every kind of disease germ likely to find its way into milk."

Mr. Charles Stewart of the Nameoki entertained her card of the Wednesday evening. All of the members took part in the pin-

Next Task—Improvement Of County Zoning Ordinance

Now that the latest effort to repeal Madison county zoning has failed, all sides may have an opportunity to get on with the task of revising the zoning ordinance.

With 21 months of actual experience with zoning, county officials and the zoning board are in a position to recommend minor changes in the original ordinance—not to mutilate it but to improve it. Revision has been under discussion for some time, in fact, particularly in regard to the section on trailer home subdivisions.

Proponents of zoning are among those most active in the revision move, and for a little while choice but to join them—if they want zoning to function with maximum benefits to the public and the least hardship on those proposing land use changes.

Perhaps the latest vote was helpful in that it cleared the air. Taking into account the previous votes of those not recorded last week, zoning has the support of at least 28 of the 49 supervisors and assistant supervisors, a clear majority. In addition, there would seem to be a definite prospect for increasing the favorable margin in the Alton-Wood River area, where the value of zoning in creating new job opportunities should be obvious to all.

There may be some who would prefer that they never become convinced, just as there are people who will never like zoning because it prevents them from carrying out plans detrimental to their neighbors' property. But such opposition really proves the importance of zoning. There is and will continue to be a threat to property values—a threat that can only be met by the existence, fair interpretation and enforcement of zoning rules.

Resourceful, Effective Care At Local Hospital

Fast, imaginative and successful efforts to save the life of a St. Elizabeth Hospital patient, described in the last issue of the Press-Record, were in the highest tradition of selfless and untiring service to the ill, whether they be friends or strangers, revered or unrequited.

The example set by an individual's condition can change unexpectedly, testing medical and hospital personnel and equipment to the limits of their resourcefulness.

Each person would like to believe that such dedicated assistance and skill would be available to be stricken. Judging by the latest instance, this is just what Quad-Citians can expect at St. Elizabeth Hospital.

The world must not forget, in its concern with left and right, that there is an above and below.

LOOK AHEAD, NOT BACK, WITH JOY, OPTIMISM

To the Editor:

Trouble and worries, misdeeds and immorality will not be eliminated by the attitude of looking back. The only way to deal with any good-intentioned capitalist to public office, least of all to lead a nation, is to look forward.

In one sense morality cannot be legislated, especially if the hearts of the people are corrupt. The cure for the evil of the times is to have and hope awakeners of the present; sometimes one has to let it be hard work, sweating and other seasonal regimens. The Universal Smile is the cure for the evil of the times. It is to make a cock-eyed, if prudent, optimistic out of the gloomiest of cloud-drawers.

CITY SERVICES NEEDED IN EAST MADISON AREA

To the Editor:

I think it is about time something is done about the East Madison situation. There are shootings, killings, barroom brawls and such goings-on continuously.

Graduate police have to sit back and do nothing; they can only stand by if something does happen. The sheriff's office lacks the care of this area, covering all the way from Highland to the University. A lot of times they possibly take care of this large area?

People's lives are threatened by hoodlums who sit back in East Madison taverns, causing nothing but trouble. Shootings are common. The police have the past few years. Something has got to be done.

When is the annexation of East Madison and Madison going to take place, so respectable citizens can get the protection they need?

Children from Venice, Madison and East Madison go to school on Spruce street.

Road Plan Another Indication Of The Quad-Cities' Exciting Future

That the Quad-Cities have an exciting future is attested by the growth estimates and related street and highway plans contained in a 20-year program outlined by the Illinois Division of Highways.

With part of the Nameoki road improvement assumed to be "now in progress"—local residents wish that it was—chief emphasis is appropriately placed on the scheduled extension of Federal Aid Route 151 around and partially through the river side of this community.

Major expenditures proposed include Broadway and Niedringhaus avenue underpasses, further work on Nameoki road and Route 111, improvement of Pontoon road, better access to East 23rd street and St. Clair avenue and development of Route 203. Heading the list of collector street projects is a plan to link Adams street with Niedringhaus avenue and Johnson road, easing the traffic load on Fehling road.

There is a real question whether such state-level planning is adequate for Federal Highway Act participation for Quad-City and Illinois Metropolitan Area needs. An effective local voice in street and highway matters is essential.

But the \$47 million proposal for 1964-84 serves as a reminder that the city must plan to meet the needs created by growth. And it bears out other predictions that population gains here can be both substantial and beneficial—despite the problems inherent in higher traffic volume.

Complete With Sleight And Reindeer

Local youngsters are breathing a sigh of relief. The Granite City council last week voted to allow Santa Claus to make his usual visit during the Christmas season.

Advantage Of Non-Partisan Judicial Voting Demonstrated

Value of non-partisan judicial elections is demonstrated by the Madison county vote on retaining circuit judges, Harold R. Clark, Alton, last only was re-elected but received more affirmative votes and fewer negative votes than any of the other candidates.

There is nothing wrong with Judge Clark leading the bar, but, because such is a capable jurist, regarded highly by attorneys as well as the public. But being a Republican, he would have had to be a magician to pull a victory out of the hat if there had been partisan circuit court voting in 1964.

When one of the parties is sweeping toward a landslide victory, the broom usually makes little distinction between good and bad officeholders of the other party. Fortunately for the Third circuit, the new judicial system already has eliminated party labels, enabling interpretation and administration of the law to proceed on an objective—non-partisan—basis.

Industrial Annexation Prelude To New Madison Residential Areas

A firm "Yes" vote for the future of Madison was cast by city officials this month in annexing to 69-acre industrial site and making preparations to add neighboring residential property to the city.

The action taken paves the way for a major industry with whom negotiations have been in progress, and also for annexation of other plant sites within the annexed tract.

Now, attention can be given to extending municipal benefits to East Madison families, simultaneously giving Madison an opportunity to grow and help accommodate the expanding Quad-City population.

Some Veterans Eligible To Reopen Insurance

More than 75,000 Illinois veterans may not know they are eligible for reopening of life insurance contracts. Joseph D. Wetton, local administrator of the Illinois Veterans Commission, said today.

They are those whose disability ratings, although they are service-connected, are not rated high enough for monthly compensation payments. However, Wetton pointed out, under a new law, the reopening of insurance contracts against any of the criminal activities of the owners.

THE PASTOR SPEAKS

REV. JAMES H. ELDRIDGE
Central Free Methodist Church

Hezekiah was a pious and strong king of Judah. He had been a religious leader, reading his people out of idolatry.

He had been a military man who, by the help of God, defended his people from the Assyrians. He was an engineer, accomplishing the feat of building a conduit and reservoir to bring water into Jerusalem.

It was during a serious illness that the prophet Isaiah came to visit him. He announced, "Set your house in order, for thou shalt die and not live."

At the prospect of death, the king wept and prayed to live. Probably he had no fear of death. He just wanted to live and work as he had done before.

The Almighty saw the tears of the king and he heard his prayers. Ere Isaiah left the palace, he turned back to the sick king and said, "The promise is life more years of life for the king."

For one to know the life of God, he must be the greatest source of misery. In mercy, the all-wise God has vailed the future from our eyes. However, if some knew the future and the

length of their days, it might provoke them to more diligent service.

There are six months of earthly life before him said, "I must work the works of him that sent me, while it is day; for the night cometh when no man can work."

What must the king have thought as he entered that extra 15 years of life? What were his thoughts as he counted the days and reaped the harvest?

Make Peace With God
A preacher was to spend the night in the home of a friendly old physician. The guest was taken into the doctor's den and handed a book to read as he waited for the physician to finish his work.

Presently the physician closed his book and said, "I am glad to see you. With a feeling of satisfaction, said, 'My house is now in order. You see, I have a heart ailment and so every night before I retire I close up all my affairs. If I don't awaken in the morning, I shall be back to the other side. At this moment at peace with my God, my fellow man and myself.'

What would you do with more life? The present moment is yours. What will you do with it? To make peace with God is one's first and greatest duty.

Gangster Infiltration Of Firms

Sixth of a group of bills proposed by the Chicago Crime Commission to knock out organized crime in Illinois.

Newspapers frequently publish accounts of violent crimes committed by the efforts of organized crime to infiltrate and gain control of legitimate businesses.

Purpose of this well-publicized scheme is to use extortion, coercion, threats and beating, which receive less publicity in the public arena, to force business owners to follow the dictates of the mob, either by abandoning their business or by conducting it in a way that is dominated by the mob.

Terror, Law Evaded
Such businesses then take on the lawless character of those who have muscled in. Standard methods of operation soon are abandoned by terror, bribery, contract killings and evasion of regulatory legislation designed to protect the public.

Such competition undermines legitimate businesses operating within the law, as the cancer spreads to infect an increasing large portion of the business community.

Such competition for this expansion into legitimate business are many.

Criminally-operated businesses are profitable with the public ultimately paying the price. Such businesses give criminals a source of income, which makes it more difficult to take effective action against any of the criminal activities of the owners.

Camouflage Other Income
However, such businesses, by providing apparently legitimate sources of income for the syndicate kings; make it more difficult to prosecute federal law violations—such as such prosecutions have been the only successful law enforcement against these notorious individuals.

SEVENTH GRADERS PERFORM AT SCHOOL

Seventh graders of Madison junior high school presented a program of entertainment Thursday afternoon at a student assembly.

Dale Clinton, president of the student council, introduced Bob Allen, who led the group in the pledge of allegiance. The response was given by Barbara Orr, Tom Roden, and Linda Anderson, who introduced the various acts.

Participating in the program were Jacqueline Wright, who gave a reading "Columbus"; Michael Darragh, soloist, singing "Never be Afraid"; and Linda Spies, piano solo, "Moon River."

Donna Wargin, Beta Hootchinson and Debbie Roberts, who sang "Chant Chant," followed with a piano solo by Debbie Rhoads, "Madam Mar Du." Billy Elliott and boys and girls of Room 205, performed a play, "Professor Higgins and the Social Fitness Class." Sharon Barnham played a harmonica solo, "On Top of Old Smoky."

"Give My Regards to Broadway," a song and dance number, was given by Debbie Pacheco and Mary Chamption. "Little Honda" was done by David Vance and Ricky Shabo.

Climaxing the program was a Beatles number by James Drury, Theodore Narvaez and Lester Yates.

Eight grade students presented a similar program earlier this year.

Winter is Back; Police Urge Cautious Driving

First snow and ice of the winter season which struck the area last week brought from Quadi City police officials the warning that motorists make more driving conditions in winter than any other time of the year because they fail to adjust to changing conditions or to the time to see that their cars are ready to meet the hazards presented by winter driving conditions.

Among first requirements for motorists who face several months of wintry blasts are dangerous driving, officials pointed out, is the conditioning of the auto, which should include, among other things, these pertinent points:

- (1) Brakes — have them equalized. You need balanced braking in slippery going.
- (2) Muffler — colorless fumes from a faulty muffler or tail pipe can kill you. Drive with a window partially open.
- (3) Wiper blades — use wiper blades, proper arm tension and a working defroster are a must.
- (4) Lights — Headlights, tail lights, brake lights and directional signals should all be perfect, and kept clean.
- (5) Tires — tires should have enough tread, left to bite into snow which strikes the area.

Both state and local officials already have completed plans for the holiday seasons and for combating increased danger to drivers caused by winter weather through safety campaigns and traffic control "alerts" designed to tighten regulatory restrictions devoted to road conditions.

Gov. Otto Kerners has issued the usual holiday "alert" periods for both the Christmas and New Year's weekends. Local officials will assist through safety campaigns and tighter traffic controls.

Soldier Shot in Drug Store Holdup Given Probation

Albert Eugene Allen, 22, Granite City Army Depot soldier who was shot and seriously wounded by Clarence Lile, 80, Granite City pharmacist, in an armed holdup attempt Dec. 2, 1963, has been given five years probation by Chief Circuit Judge Joseph J. Barr in Edwardsville, it was announced Friday.

Terms of the probation are rigid; Allen was ordered to abstain from the use of any alcoholic beverages and from violating any law.

No recommendation was made by the court's probation office, which filed a thorough report with the court. It showed that Allen had been absent without leave from the Depot on two occasions since the crime, but that during the past year he married and has a child. His wife and child attended the probation hearing.

Probation officer said Allen had become rehabilitated to some extent since the crime and his marriage. In seeking probation, he pleaded guilty in the case.

Allen had been drinking before the robbery attempt. After he was shot in the stomach and the arm, Allen returned the fire and inflicted a flesh wound to Lile's arm.

The drug store is located at 2101 Delmar avenue.

Allen now resides in East St. Louis and still is assigned to the Depot. If he had been given any type of prison sentence, he would have received a dishonorable discharge from the service, authorities said. His home town is Jacksonville, Ala.

Mathematics, New GC Schools to be Discussed

Reports on mathematics and new schools will dominate a meeting of the Granite City school board at 7:30 p.m. Wednesday.

Another topic may be the state school meetings in Chicago yesterday, today and tomorrow, which are being attended by Supt. Russell D. Johnson and some of the board members.

Mathematics instruction in the school district is to be discussed by a committee headed by Robert Nelson, Granite City high school mathematics department head.

New school construction planning will be reviewed by an elementary school committee led by Laite Principal Arthur Hernandez, a junior high school committee headed by Central Principal Robert J. Davis and a Granite City high school addition committee led by GCHS Principal Lawrence C. McCauley.

Discussion of the two new schools and the high school addition is expected to include architects' cost estimates.

Bills, bids and other business matters are scheduled for the Dec. 14 meeting.

City, Town, School Election Dates Fixed

The Granite City 1965 city and township elections will be held April 6, while election of city and village officials in Madison, Venice and Pontoon Beach is scheduled April 20, according to official election dates announced today by the secretary of state's office.

Township elections in Nameoki, Chouteau and Venice townships, as well as other townships in Madison county, will coincide with the Granite City balloting on April 6.

The regular annual election of school board members in Quad-City school districts has been set for April 10 under a statutory regulation fixing the date of the school elections on the second Saturday of April.

For the city election in Granite City the new official timetable sets Jan. 11 as the first date for filing independent certificates of nomination or nomination papers with the city clerk. Last day for candidates to file is Feb. 15 with a withdrawal deadline of Feb. 20. The withdrawal date also is the deadline for filing objections to certificates of nomination.

Absentee Deadline
March 8 is the first day for absent voters to file applications for ballots by mail, with April 1 as the final date for such applications. April 3 will be the deadline for applying in person for an absentee ballot. The city clerk is required to deliver official ballots of election not later than April 5, the day before the election.

For the township elections, held on the same day as the Granite City local balloting, the dates are the same, except that Dec. 28 is set as the first date on which absent voters who are in United States Service, or their dependents, may make application for an official ballot. The filing period remains unchanged, but the election calendar provides that if candidates are to be chosen by caucus, newspaper publication of the caucus date must be published not later than Jan. 23.

Municipal elections in Madison, Venice and Pontoon Beach are held under a section of the municipal code fixing the election as the third Tuesday of April—when next year will be April 20. Jan. 11 also is set as the first date for absent voters in United States Service to apply for ballot by mail, and Jan. 25 is the first date for filing certificates of nomination for candidacy on the ballot. Dead line for filing nomination papers is March 1, with March 6 the deadline for withdrawal of candidacies. March 6 is the deadline for filing objections to certificates of nomination.

Truck Struck by Auto
A car driven by Arthur C. Stueve, St. Louis, headed south on Delmar avenue, collided with the right rear of a truck driven east on Niedringhaus avenue by Orville E. Edwards of Carrollton at 10 a.m. Friday. Both vehicles were damaged.

Applying in Person
First day on which to apply for an absentee ballot is March 22 and April 15 is the last day to apply for absentee ballot by mail. April 17 is the deadline for applying for absentee ballot in person.

City clerks are required to deliver official ballots not later than April 19.

For the 1965 school elections, the timetable specifies a period from Jan. 25 to Feb. 14 for publishing notice of time, place and with whom nominating petitions are to be filed for membership of school boards, with Feb. 24 fixed as the first date for filing petitions of candidacy and March 30 as the deadline for filing. Final date for withdrawing as a candidate is March 23. The final date for publication of lists of all school elections is March 31. Date of the election is April 10.

Harris Infant Dies of Respiratory Ailment
Steven E. Harris, seven-month-old son of Mr. and Mrs. Henry T. Harris, 2400 West 23rd street, died at 2 p.m. Thursday in Children's Hospital, St. Louis, following a two-day illness caused by a respiratory infection. The child had been in the hospital one day.

Besides his parents, the infant is survived by his grandparents, Mr. and Mrs. Joseph Rigby of Granite City, and Mr. and Mrs. Henry Harris of Cumberland City, Tenn.; a brother, Ricky Duwayne Bird; and a sister, Brenda Kay Bird.

Services were held Saturday at a Granite City funeral home. An obituary notice is given elsewhere in this issue.

Suit Filed on Account
May Department stores of St. Louis has filed suit against Mrs. Betty Jean Stallings in Madison county circuit court in Edwardsville to collect \$281 the firm claims is due on a charge account.

Hit-Run Accident
Alex Hampton, St. Louis, told Venice police Friday morning a skidding westbound auto struck the left front of his eastbound auto on the east approach of McKinley Bridge and then sped across the bridge.

Five Couples Obtain Divorces in GC Court

Five area couples were divorced last week in the Granite City division of Madison county circuit court. Decrees were issued by Associate Judge Pip P. Schuman to:

Charlotte A. Hais of Granite City from Donald E. Hais. They were married Aug. 30, 1958, and separated Jan. 20, 1964. She charged cruelty and received custody of two children. He was

ordered to pay \$30 per week child support.

Mary Helen Angle of Granite City from Gerald Lee Roy Angle. They were married July 25, 1948. She charged desertion and obtained custody of five children.

Melba Ishmael from James B. Ishmael, both of Granite City. They were married Sept. 7, 1945, divorced June 20, 1959, remarried June 5, 1961, and separated July 15, 1963. She charged desertion and was given custody of two children. He was ordered to

pay \$50 child support every two weeks.

Olen Eugene Rogers from Ruby Mae Rogers, both of Granite City. They were married March 7, 1959, and separated in July 1962. He charged desertion.

Sarah Cox from Sherman Cox, both of Venice. They were married Nov. 27, 1953, in Drew, Miss., and separated June 1, 1963. She charged desertion and obtained custody of five minor children. He was ordered to pay \$35 per week child support.

Parking Lot Accident

A collision occurred in the driveway of National Food store in the 2300 block of Madison avenue at 12:30 p.m. Thursday as Kathleen Nichols, 2689 Grand avenue, was leaving the parking lot while Dr. Fred Elmore, 2521 Cleveland blvd., was making a left turn into the driveway.

Vandals Slash Tires

Colia Hutton, 2338 State street, reported at 7:30 p.m. Thursday that two tires on her 1957 auto were slashed while it was parked on the Granite City post office lot.
